

2022

Call For Papers

Taiwan National Parks Youth Forum and Graduate Thesis Competition

Eligible Participants

1. Current master's and doctoral students and AY 2021 / 2022 graduates.
2. Applicants should participate in one of three competition categories: **(a) Environmental Science; (b) Humanities and Social Sciences; or (c) Management Science.**

Thesis Competition Selection Criteria

1. The organizer will review each applicant's registration qualifications. Those who pass the initial screening round will enter the second round consisting of a thesis assessment.
2. Scoring is divided into two parts: "Thesis Assessment" (80% of total score) and "Oral Examination" (20% of total score). Applicants who receive scores of 80 or higher on thesis assessment could qualify for oral examination.

Precautions

1. Thesis competition candidates are asked to fill out the submission form containing their basic information and merge it with their paper into **one WORD and one PDF file** and send to taiwancnps@gmail.com before midnight on the deadline date.
2. Submissions should be sent using the email subject line "National Park Graduate Thesis Competition Submission", and the submitted file should be named using this format (without quotes) : **"2022NP Thesis_Last Name, First Name"**.
3. All submitted papers must be original works created by the submitter and comply with the provisions of the Copyright Act. In the event of copyright infringement, the submitter assumes sole liability and indemnifies and holds harmless the supervisor, organizer, and co-organizer against any and all claims, suits, actions, or liabilities arising therefrom. If a research thesis is found to contain plagiarized content, the submitter's eligibility shall be immediately revoked, and all awards, prizes, and certificates shall be rescinded and recovered.
4. Organizer reserves the right to adjust categories and the number of award recipients based on the number of submissions.
5. Conference will be held online when gatherings should not take place due to the COVID-19 pandemic.
